

# INF4030

Interactive Whiteboard and Display with Capacitive Touch

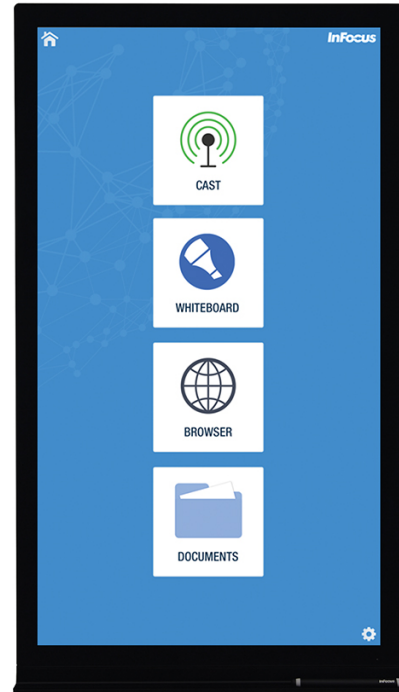

Part #: INF4030

Draw, write, and capture notes and then share your device's screen - all at an unbeatable low price. Compact size and versatility make it a great solution for administrative offices and/or huddle spaces.

## Key Features

- ◆ 40-inch 1080p [capacitive touch](#) display
- ◆ Portrait or landscape orientation
- ◆ Built-in, full-featured interactive whiteboard
- ◆ Add the [LightCast Key](#) to wirelessly cast from any device, browse the web, or view documents
- ◆ Quickly connect and display your notebook via HDMI, VGA, component and USB
- ◆ Engage your students with a professional, high-tech tool that's fun to use
- ◆ Use with or without a stylus (included)

This model is available outside the Americas, and to K-12 schools in the US. If you are in the Americas and not a K-12 school the [INF4030p](#) is the model for you.

## Interactive Whiteboard

Draw, write, and capture notes on a multi-screen canvas, with room for free-form drawings, diagrams, and more. Multiple people can write or draw at the same time with a complete collection of digital pens, highlighters, shapes, lines, and colors, then view and annotate over PowerPoint, Word, or images.

## LightCast Wireless Collaboration

Use the [LightCast Key](#) (sold separately) to easily connect and share content from your Apple, Windows, Android, or Chrome

devices. Access the internet with a built-in web browser, and view or present documents, videos, and photos.

## Projected Capacitive Touch (PCAP)

The ultra-responsive and sleek bezel-less technology found in tablets and smart phones is now available in the JTouch Whiteboard. Draw or write smoothly with your finger, a stylus, or with medical grade gloves.

## Easy to Connect

Display your PC, Mac, or Chromebook via HDMI, VGA, or component video, then control it from the display via touch.

Just enable touch from the computer via USB, and extend the reach of your computer's USB ports with the easily accessible USB ports on the display.
